AIMS OF ST ALBAN'S CLASSICAL ACADEMY

St Alban's Classical Academy aims to provide exceptional and affordable Christian education in the time-tested classical tradition, a tradition used since antiquity and still used today in England's grammar and public schools. Thoughtfully used and redeemed by Biblical Truths, a Classical Christian education seeks to prepare a child to love God through obedience and service, and moreover to have their hope fixed where true joys are to be found. It accomplishes this principally by developing the moral imagination, which trains the affections of our students through constant engagement with the Good, the True, and the Beautiful.

We aim to prepare children for the universal call to love Christ with all their hearts and minds, in accordance with His undiluted Sacred Scriptures, and to bind children closer to their families and their communities. Education at St Alban's Classical Academy aims to be academically first-rate; for everyone is called to strive for mastery in order to obtain an incorruptible crown. (1 Cor. 9:25)

STATEMENT OF FAITH

The doctrinal basis of faith of St Alban's Classical Academy shall be the fundamental truths of Christianity including:

- We believe there is one living and true God, ever-lasting; of infinite power, wisdom, and goodness; the Maker, and Preserver of all things both visible and invisible. One God in three Persons, of one substance, power, and eternity; the Father, the Son, and the Holy Ghost.
- We believe that the Son, begotten of the Father from before time, and of one substance with the Father, took on human nature in the womb of the blessed Virgin: so that two whole and perfect Natures—the Godhead and Humanity—were joined together in one Person.
- We believe that Christ truly rose again from the dead, and took again his body, with flesh, bones, and all things pertaining to Man's nature; with which he ascended into Heaven, and there he is seated until he returns to judge all Men at the last day.
- We believe the 66 Canonical Books of Holy Scripture contain all things necessary to salvation: so that whatever is not read in them, nor may be proven by them, is not to be required of any one, nor to be thought necessary for salvation.
- We believe that Original Sin does not consist in merely following the example of Adam, but that it is the corruption of the Nature of every one so that the flesh always lusts against the spirit; and therefore that every person born in this world deserves God's wrath and damnation.
- We believe that we are declared righteous before God only on account of the merit of our Lord and Saviour Jesus Christ by Faith, and not by our own works or merits: that we are justified by Faith only.
- We believe that whilst Good Works cannot atone for our sins, still they are pleasing and acceptable to God in Christ, and do spring out necessarily of a true and living Faith; insomuch that by works a living Faith may be as known as a tree is known by its fruit.

St Alban's Classical Academy strives to offer the best education possible for students that are admitted. Due to staffing, funding, and facility limitations, some children may not be admitted if the school cannot adequately provide for their learning needs. The nature of the school curriculum necessitates that children who have been diagnosed with learning differences must be able to meet the same academic standards as all other children in their year group. Children with physical/motor limitations who may require special provisions will be considered for admission on a case-by-case basis.

Give a brief medical history of the applicant identifying any serious illness or injuries of which the school should be aware of. List any emotional or medical treatments of physical concerns that may affect student's activities. Please include any allergies and regular medication.
